

TOBIAS STUDIO STOOL

CONTRACT BAR STOOLS

SOLID OAK SWIVEL BARSTOOL Despite the simplicity of the Tobias Studio Stool, this addition to the Tobias family adds a touch of vintage style to our range, with its slender frame and its rustic look makes this oak swivel barstool an all-round piece of contemporary furniture. The adjustable, solid oak swivel barstool is one of our greatest for stability due to the extremely sturdy, yet stylish framework manufactured from the utmost robust metal to ensure you feel safe whenever you use this oak counter height stool. The additional footrest that comes to this counter height barstool gives you extra comfort, and due to its swivel mechanism, this oak counter height stool allows you to achieve the perfect position to satisfy your needs. The rustic finish on this backless oak swivel barstool is guaranteed to contrast beautifully with any furniture already present, so if it's a trendy yet secure oak made counter height stool you are looking for, this is the perfect addition. Contact us to find out more about this Solid Oak Swivel Barstool at UHS International.
