

TOTE SOFA BED

CONTRACT SOFAS AND ARMCHAIRS

MOST COMFORTABLE SOFA BED #MakeAStatement with our Tote Sofa Bed, designed by UHS Studio. Comfortable and practical as it can be used as a sofa or bed, making it perfect for any hotel or co-living environment. We at UHS International believe that furniture should not only be functional but should last for years. That is why this Tote sofa bed has a solid steel seat and back frame, reinforced with metal-to-metal connections, meaning it is built to last for years, through sitting, reclining, and sleeping. Uniquely designed square-tufted upholstery perfects the appeal, while provides absolute comfort with the padding and a pair of pillows included. This most comfortable sofa bed throws an elegant and delightful vibe. Offer your overnight guests a perfectly comfortable place to spend the night with this hotel sofa bed. Reach us to know more about this Tote sofa bed at UHS International.
