

## CAMPO EXTERNAL SIDE CHAIR - WHITE

CONTRACT OUTDOOR SEATING

POLYPROPYLENE DINING CHAIR Looking to add seating to your outdoor space? Chairs like this are great for a flexible option to any outdoor ensemble: crafted from plastic and resin, the Campo polypropylene dining chair is stackable, enabling you to easily add or remove them, depending on the need! The Campo External Side Chair is a bold and contemporary one-piece air molded polypropylene dining chair, designed for hospitality, workplace, and educational environments. It brings a clean and simple aesthetic to the spaces it is chosen for. Featuring a clean-lined silhouette and vertical slat back, this polypropylene dining chair delivers an understated style that can be easily added to existing outdoor furniture. The Campo External, plastic bistro chair is made of durable warp-resistant polypropylene and is UV stabilised, protecting it from the harmful, deteriorating effects of UV exposure. This white, polypropylene stacking chair is strong, lightweight, and durable. The Campo polypropylene dining chair is also washable, making it ideal for every space, even high traffic, and outdoor areas. It also comes in six fabulous bold colours, including Toscano and Retro Blue which will brighten up any venue. Reach us to know more about this white polypropylene dining chair supplied by UHS International.
