CONTRACT DINING CHAIRS

PAINTED WOODEN KITCHEN CHAIR Outfit your dining ensemble in contemporary style with this streamlined pale blue dining chair. Pulsa is a wooden side chair with a lozenge-shaped back. Can be stained or painted in a standard colour. Stain-resistant polyester upholstery in a blue hue provides a bit of cushioning, making the Pulsa Side Chair an ideal option for a spill-prone dining space, while foot pads below the legs protect floors from scratches and scuffs. The open back gives this painted wooden dining chair an airy look and feels that will transpire to all other furniture in the room. The Pulsa Side Chair has a minimalist, open design making it an inviting addition to your dining space. Complementing a variety of stylish dining tables, this pale blue dining chair has a versatile look that combines a wooden base with a sleek black finish, and charming leather in various shades to add a welcome burst of colour to your interior.
