MONO ARMCHAIR

CONTRACT DINING CHAIRS

SLED BASE ARMCHAIR The Mono upholstered armchair combines the looks of industrial furniture with the comfort and practicality of any restaurant chair. The slender wire sled base is available in any standard finish and the seat and back can be upholstered in any standard fabric or leather. This modern upholstered armchair would be perfect for as a light & durable café chair. The Mono Armchair provides the perfect perch when you are settling into a meal. Perfect for pulling up to a meal in style, this modern upholstered armchair is a great option for a blend of rustic and contemporary aesthetics. This chair's bucket seat is padded with foam and covered with stain-resistant faux leather upholstery, so it is as easy to match as it is to clean. Felt foot pads below protect your floors from scratching and scuffing. This upholstered armchair style also goes a long way toward helping round out the style set by your dining table and giving you an on-trend space.
