THOR ARMCHAIR

CONTRACT SOFAS AND ARMCHAIRS

LOW PROFILE ARMCHAIR Rounding out your commercial decor while providing sensible seating arrangements in small spaces, this low-profile armchair offers style to any interior design. Thor Armchair has a design tone while allowing dramatic upholstery silhouettes to retain a U shape armchair style in the hospitality area. This eye-catching modern contemporary armchair is ready to bring a bit of the mid-century aesthetic to any ensemble. Founded atop four splayed legs with a natural finish, its frame crafted from beech leg frame. The foam-padded and fabric-upholstered seats are distinctive with low arms and a tapered back, showcasing a solid hue and subtle button tufts along the back. Get in touch with us to know more about this low-profile armchair at UHS International.
