ANNE ARMCHAIR

CONTRACT SOFAS AND ARMCHAIRS

SHELL SHAPED ARMCHAIR This is a contemporary shell shaped armchair, upholstered in a standard fabric with a metal and timber leg frame. The Anne Armchair catches the eye because of the shell shape of the seat, which gives the seating elements and encapsulating comforting and sheltered feel. High-grade metal and timber leg frames are modern materials with exceptional durability, and this combination of materials makes this shell back armchair ideal for industrial use. The thick and round back of this luxurious upholstered shell-shaped Anne armchair provides great comfort, upholstered in standard fabric which is available in the exclusive range of colours. This contemporary shell-shaped fabric armchair is suitable for commercial spaces. The design of Anne, shell-back armchair is not only appealing to the eye but is also an eco-friendly economical option for commercial and residential dining areas. Ergonomically comfortable, aesthetically pleasing, high visual appeal shell back armchair.
