

## MILL LINEA TABLE (1800X717MM) - COPPERED

**OUTDOOR FURNITURE** 

LARGE OUTDOOR DINING TABLE The Mill Linea Table by UHS International is designed explicitly for the high traffic of a busy commercial establishment using the latest technology & material. This large outdoor dining table for a pub garden, cafe or restaurant gives a refreshing look to your outdoor space. The Linea rectangular dining table crafted from a black steel frame is highly durable & saves a lot of expense on maintenance. This non-wood dining table is available in two standard options-Golden and Coppered. You can also find a wide range of our dining chairs to go with our whole range of tables. Contact us today if you have any questions about this beautiful Mill Linea Table at UHS International.
