

SPARTA SQUARE TABLE TOP

CONTRACT TABLE TOPS UK

SOLID WOOD TABLE TOP If you are in the market for a plain, simple tabletop, then we have just the thing: The Sparta Square Table Top is simplicity itself – a wooden effect surface with a plain white effect edging to catch the eye. And with a host of sizes and shapes in this solid wood table top to choose from, you will be hard-pressed to find an option that does not suit your requirements. As well as being a Masterclass in minimalism, our solid wood restaurant tabletop is a lot more robust than you might expect. With chip-resistant edges and a scratch-resistant hard wearing surface, these solid wood tops are no softies when it comes to taking the knock and scrapes that your customers can dish out. Manufactured by Table Place Chairs, these real wood table tops are just 40mm in thickness – meaning that they are both light and unobtrusive. Contact us to discover more about the Sparta Square Table Top supplied by UHS International.
