BERNARD DINING TABLE

CONTRACT DINING & BAR TABLES

SMALL SQUARE DINING TABLE The Bernard Dining Table is a simple and functional piece of furniture with a sleek, contemporary look. It is highly suitable for small spaces such as a small cafe, pubs with its square shape taking up little area. The sophisticated design and rich black finish allow the Bernard Dining Table to match with a variety of decors and colour schemes. At the same time, the solid rubberwood construction makes it sturdy and durable. This small, square dining table is a comfortable place for one or two people to take meals and work on a laptop. The Bernard Dining Table is the ultimate style statement for the designer interior. With its high-quality design, this small square dining table is perfectly suited to a contemporary interior. The tabletop and four legs of oak veneer has that appealing dark charcoal grained finish and is available as a dining table and a coffee table height base. Stained or finished in a standard UHS finish. Reach us to know more about the Bernard Dining Table supplied by UHS International.
