## SLOUCHE SLED CHAIR

### OUTDOOR FURNITURE

**SLED BASE STACKING CHAIR** Acquire seating for any environment with this sled base stacking chair. The ergonomic design contours to your body for an amazing seating experience. The seat of the Slouche sled chair is beautifully designed with a sculpted shell back in black, it curves around the body, providing a welcoming seat with integrated arms. With an opening in the back, your body will breathe while being supported in luxurious comfort. This commercial-grade resin stacking sled chair offers an affordable seating solution for groups of all sizes. The heavy-duty sled base stacking chair is a perfect choice for hosting visitors in a banquet hall, conference centre, or church and can be stacked up to four high for space-saving storage. Cleaning is quick and easy thanks to the hard-plastic shell, which features a contoured low back design. Each stacking resin patio chair design goes through 100% quality inspection throughout each phase of the building process to ensure the highest standards of beauty, functionality, durability, style, and comfort. The sled base allows the Slouche sled chair to be stackable up to 8 high. To know more about this Slouche Sled Chair supplied by UHS International, visit today!
