NEPTUNE ARMCHAIR

OUTDOOR FURNITURE

COMMERCIAL RESTAURANT CHAIR The Neptune Armchair comes with comfortable armrests, and it is made with elegant yet durable high-quality fibreglass polypropylene resins with UV additives that make them resistant to weather, wear, water, and UV light. A contemporary design available in many different colours to match all tastes and all interiors and exteriors. This polypropylene armchair is certified for public use due to its safety, strength, and durability. An ideal choice for all those busy professional environments where you need a chair that is practical for cleaning and storing, durable to last while still being beautiful enough to keep up an image. Designed as a mesh for lightweight, flexible structure and water drainage, its combination of practicality and aesthetics make this commercial restaurant chair a winner and an outstanding value for money.
