

ATHENS SQUARE TABLE TOP

CONTRACT TABLE TOPS UK

SOLID WALNUT TABLE TOP This solid walnut table top is designed for commercial use and provides a neutral tone to be used in any setting. The finish makes it a remarkable find, especially when you are looking for a combination of low maintenance and beauty. The surface is heat, scratch and moisture resistant. If you are looking to add warmth and comfort to your hospitality space this laminated wood table top is a great choice. With a reversible top design, select the finish for this laminated table top that best suits your establishment's decor, then add a compatible base. Contact us to know more about the Athens Square Table Top supplied by UHS International.
