NOA ARMCHAIR

CONTRACT OUTDOOR SEATING

STACKING CHAIR WITH ARMS Designer stacking chair with armrests and a gracefully curved steel frame, the Noa Armchair features a vertical steel wire collection that forms the seat and backrest. The Wire collection doesn't hold water and will dry quickly upon getting wet, making it perfect for high-traffic, outdoor use. Seat pads are available for extra comfort. The stackable chair with armrests made of powder-coated stainless steel, which is impervious to being knocked around and chipping. Extensive testing and trialling conducted to ensure the wires are straight, the spacing is accurate, and quality material was selected. This outdoor stackable chair is available in eleven contemporary colours: White, Light Blue, Pale Pink, Pale Blue, Red, Silver, Vivid Pink, Vivid Yellow, Light Green, Orange, and Black. Get in touch with us to know more about the Noa Armchair at UHS International.
