STERLING SOFA

CONTRACT SOFAS AND ARMCHAIRS

STERLING CORNER SOFA The Sterling corner sofa is an authentic piece of furniture that depicts a stylish look. Large imposing and distinctive sterling sofas make its mark no matter where in the commercial furniture world it is placed. Upholstered in rich velvets and deep colours, the sterling sofa with its excellent design and stunning look could sit quietly in the corner as a dignified piece of hotel furniture. Alternatively, in retro fabrics and with some distressing this sterling corner sofa could function as a classic piece of pub furniture perhaps in front of the bar or tucked up against a back wall. The Sterling corner sofa includes all the best retro details like slender cone legs, winged shaped arms, and a tight tufted back. This Sterling furniture sofa fits perfectly in with Ranch-style interiors. Supportive seats and a firm back encourage you to sit down on this sterling sofa and stay awhile, don't forget your drink. The Sterling corner sofa indeed offers a warm embrace, with a back that curves gently into the arms. To know more about this Sterling Corner Sofa at UHS International, call today!
