COMMERCIAL INDOOR BENCH The modern and minimalist design gets a taste of mid-century flair with this indoor wooden bench. This commercial bench measures 100" H x 100" W x 55" D to seat two, foam filled, and fabric upholstery provide cushioning as you take a seat. Thanks to its neutral hue, this dining bench with backrest blends easily with a variety of colour palettes and aesthetics. A narrow and wide design, the Pew Bench can comfortably seat two. This commercial indoor wooden bench is among our most popular bench options with distinctive, classic looks and a relatively low cost. Each of our outdoor wooden benches is durable, designed for long-term functionality and value. Reach out to our helpful team at UHS International if you'd like to know more about this Pew dining bench with backrest.
