

FERO MID HEIGHT STOOL

CONTRACT BAR STOOLS

STACKABLE METAL BARSTOOL Crafted out of qualified metal and surfaced with water and rust-resistant matte paint, this stackable metal barstool stands out for its excellent durability, which can be used indoors/outdoors, for commercial purposes. Matte surface painted with unique metallic colours; this dining table height stool introduces a chic industrial feeling to your dining area. Yet, its low-profile colour allows it to match with your furniture and commercial décor seamlessly. These 67-inch-high stools are your perfect choice for bar counter, outdoor parties, kitchen counter, or restaurants, cafes, bars, and other commercial use. The Fero easy-to-lift stool features a hole on the top for grasping. The four-sided footrest of this dining table stool gives you ultimate comfort. Contact us to find out more about this Fero Mid Height Stool at UHS International.
