

NOTTINGHAM ROUND TABLE TOP

CONTRACT TABLE TOPS UK

LARGE ROUND TABLE TOP Design your dining table with the Nottingham Round Table Top. This 900mm round dining tabletop is made of oak wood and contains natural wood finish, and these provide a unique dining tabletop. The Nottingham 90cm round tabletop is hard-wearing, heat and scratch resistant using quality laminates. This large round table top will be perfect for freshening up your dining tables or coffee tables in a commercial setting. Crafted from solid oak wood and lacquered finish, the Nottingham Round Tabletop is durable and is easy to clean with a damp cloth. This round table top is 40mm thick for bar & dining in hotels, restaurants, bistro coffee shops, clubs, pubs & cafes. Our 900mm round wooden table tops are stained and lacquered for contract use in the leisure, hospitality, and commercial environments. Contact us to know more about the Nottingham Round Table Top supplied by UHS International.
