VOLOS CHAIR

OUTDOOR FURNITURE

STACKABLE POLYPROPYLENE CHAIR We believe the Volos Side Chair is a fantastic addition to our range of cost-effective furniture for indoor and outdoor use. The Volos Chair's polypropylene moulded structure ensures style and durability, making it ideal for any contract environment. This stackable polypropylene chair is UV- and water-resistant and will withstand constant heavy use. This makes our Volos Chair ideal for cafes, leisure centres, schools, and canteens. It comes in a purple colour which will brighten up any venue. The tapered shape gives it a light and elegant feel. The polypropylene chair is exceptionally durable and is available with arms, adding extra stability and comfort. This purple side chair is also easy to keep clean, and when not in use can be stacked up to 8 high. Get in touch with us to know more about this simple outdoor chair at UHS International.
