

KOKO ARMCHAIR

OUTDOOR FURNITURE

STACKABLE OUTDOOR DINING CHAIR Update your patio seating with this stackable outdoor dining chair. Whether you pull it up to a patio table of your choice, place it next to your pool, or near your garden, this stacking patio armchair is the weather, water, UV, rust, and mildew resistant, perfect for year-round use. Made of fiberglass-reinforced injection-moulded polypropylene, this stacking patio armchair is stackable and available in a solid hue colour. This resistant design is easy to clean and maintain. The Koko Armchair is stackable, so it allows us to recover much space when not in use and is very practical to store. The Koko Armchairs special features make it ideal for outdoor contract furniture projects. To know more about the Koko Armchair supplied by UHS International, visit today!
