NEPTUNE BENCH

OUTDOOR FURNITURE

COMMERCIAL OUTDOOR BENCH The Neptune outdoor bench is lightweight and made out of fibreglass resin. Utilising a highly complex 3D modelling technique, the stacking bench shell has punctured in a net-like pattern of square holes. The Neptune Bench is a two-seater outdoor garden bench made of matte finish fibreglass resin distinguished by a perforated mesh pattern with non-slip feet. An elegant design, clean-cut silhouettes, slimline seamless profiles, and an extensive range of uniformly coloured fibreglass polypropylene resins with UV additives, the perfect stacking bench to enjoy contemporary outdoor settings to the full. This stackable bench is ideal for limited storage. Perfect for heavy use areas, patios, balconies, poolside. Resin bench is resistant to UV, suntan oils, saltwater, and chlorine. Get in touch with us to find out more about this commercial outdoor bench at UHS International.
