TO EDITION **NINE!**

Welcome 2017! The year we are approaching with enthusiasm, positivity and excitement, because we feel this is going to be good. After landing some great contracts and projects at the latter part of last year we step out of 2016 into the New Year with a bold leap.

This year has many plans afoot with website updates that will enhance the customer experience, new products that meet the latest design criteria, easier ordering and structured ranges dedicated to the customer brand along with many more developments.

If you would like to find out about a specific project or product, please email us at beinspired@uhs-group.com or contact our team on **0330 1222 400**.
